### TAOS NEWS.

From "Taos Cresset."

Miss Lulu Lyons is expected  
home today from a two weeks  
visit with friends in Elizabethtown.

Mr. and Mrs. J. R. Berry are in  
Taos on a visit to Mrs. Berry's  
mother and sisters, the Schourichs.

Miss Doty has gone to Tres  
Piedras and will take charge of the  
culinary department of the Hotel  
metropole.

Mrs. T. P. Martin has returned  
from Denver, after about three  
months, spent at that place, very  
much improved in health.

Dr. Reed returned from Etown  
last week; Doc. was well pleased  
with the camp and expects to make  
regular trips to the moreno valley.

Messrs. Miller and Edgumbe's  
ship has come in. They will go  
to the Black Lakes to launch it  
and properly celebrate the christ-  
ening ceremonies, when the new  
moon comes around.

Higinio Sanchez, collector of  
this county, went to Copper Hill  
on Friday last to begin distraint  
proceedings so as to protect the  
county against the sale and re-  
moval of the personal property of  
the mines there.

Cap. Simpson was the only vet-  
eran of the "Upper County" who  
participated in the G. A. R. en-  
campment in Santa Fe on April  
9 and 10. Cap. tells us that the  
number of veterans is getting quite  
small; 18 years ago there were  
386 names on the roll while now  
the number is 151.

B. G. Randall, of Chicago, in-  
terested in the Copper Hill mines,  
is again in Taos and talks about  
putting up a flouring mill at this  
place. A large amount of wheat is  
raised in this valley annually and  
one of the greatest needs of the  
present time is a mill to turn it in-  
to good flour. We are in hopes  
that Mr. Randall will decide to put  
in such a plant.

### QUARREL WHICH ENDED FATAALLY.

Last Friday evening Abenicio  
Ortega a deputy sheriff, of this  
place, entered the store of A. G.  
miller and engaged in a quarrel  
with Geo. B. Berry jr. a clerk in  
that establishment. The trouble  
was the result of difficulties which  
had previously taken place be-  
tween the wives of the two men.  
Berry struck Ortega across the  
head with a pickhandle, which  
caused a fracture of the skull  
and resulted in the latter's death a  
few hours later.

A coroners jury was summoned  
and rendered the following ver-  
dict.

"We, the undersigned, justice  
of the peace and jury, who sat  
upon the inquest held this 13th  
day of April, 1901, on the body  
of Abenicio Ortega, found in  
precinct No. 1, of Taos county,  
find that the deceased came to  
his death by reason of a fracture  
of the skull and its attendant  
complications which fracture was  
caused by a blow with a wooden  
instrument struck upon the head  
of the deceased by George B.  
Berry, jr., of the town and county  
of Taos."

Berry was given a preliminary  
hearing before justice of the Peace  
Pooler yesterday and was bound  
over to the District court on a bond  
for \$2,000.00.

Malaguina Martinez represented  
the territory and Ed. Peirce the  
defendant.—Taos Cresset.

arrangements to have an old time  
Fourth of July celebration in that

the penitentiary at Santa Fe.

wounded, and the serious wound-  
ing of convict Jose Monica, the cap-  
tain of the guard, Felipe Armijo  
and guard Pedro Ardoval. Steph-  
enson had a gun and was using it  
when Superintendent H. O. Burson,  
who was standing on the second  
floor, fired a Winchester three times  
killing him instantly. The captain  
of the guard Armijo, though  
wounded, got a gun and seriously  
wounded Simmons. The coolness  
of the officers prevented the suc-  
cess of the plot.

Judge Granville Pendleton of  
San Juan county, has been elected  
secretary of the territorial board of  
immigration.

Hon. W. H. Pope, an old time
